

PARKING DURING SNOW STORMS AND SNOW REMOVAL

Please pay attention to weather forecasts. Be aware of weather conditions.

Buildings C1, D1 & B7 you do not have to move your vehicle at night during snow storms. It is very important that you **move** your vehicle(s) **between the hours of 9 A.M. and 3 P.M.** until the lower section of Gordon Avenue is completely clear. A single vehicle remaining in a parking space during snow creates added work and hazardous conditions for all.

Do **NOT** park near the cemetery. Spaces at cemetery have been assigned to households in the upper section of Gordon Avenue. Do **NOT** park next to office building or maintenance garages.

Do **NOT** shovel snow onto walkways.

Do **NOT** shovel snow into other parking spaces.

Do **NOT** shovel snow into the street.

Shovel snow onto your front lawn.

(ODD numbers 9 - 39) Buildings B3, B4, B5 & B6 you have small lots in front of your apartments. **Do not relocate in advance of a storm.** When snow blowers arrive at your lot you need to move your vehicle. Only tractor and snow blower will be used in your lot. Please understand that the small lots will not be cleared if any vehicle is in the lot. The lot is simply too small for equipment to maneuver in and around vehicles. **Be aware when snow blowers are in front of your home. That is when we need you to move.**

THERE ARE NO EXTRA SPACES AVAILABLE FOR OVERNIGHT OR DAYTIME GUESTS. DO NOT PARK, NOT EVEN FOR A FEW MINUTES, IN A SPACE NOT ASSIGNED TO YOU. PLEASE BE SURE TO HAVE THE YELLOW PARKING PERMIT ON YOUR VEHICLE.

CAR TOWED? NEWMARKET PD HAS LOCATION INFO. KRUCZEK GARAGE TOWS FOR NHA.
